The National States Rights Party (NSRP), is still active in the New Orleans area in a limited degree. [redacted] advised that he read about an organization which was created by ex-members of the National States Rights Party, which organization is known as the American States Rights Party (ASRP). When contacted as indicated below, [redacted]  
voluntarily furnished the following information:

He has not been active in any organizations, including the American Nazi Party (ANP) and the National States Rights Party (NSRP) for the past two or three years. He stated that his lack of association in these groups was due in a large degree to [redacted] insistence that he stop these activities. He stated that her concern over his past membership in such organizations had made her extremely emotional and upset.

In addition, he is concerned about his employment as a [redacted] and would not wish to jeopardize his position with the [redacted]  
[redacted]

He stated that on October 9, 1964, he was contacted by [redacted] whom he knew to be a fellow member of the ANP around 1960. [redacted] advised him that the ANP and the NSRP were inactive in the New Orleans area. [redacted] suggested to [redacted] that they attempt to revive their old organization of the Blue Shirts of Louisiana. [redacted] stated that the Blue Shirts of Louisiana was a fascist-type, quazi-military group of approximately 12 members. They functioned as a drill team and in that most, if not all, of the members were also members of the NSRP, they served as guards at some NSRP activities.

[redacted] stated that he told [redacted] that he had matured since he left that type of activity and had no interest in it and would rather spend his leisure time in pursuing his hobby of antique and classic automobiles.

They had no regular meetings and whenever a meeting was called they usually rented a hall at various locations. He refused to identify any of the members of the NSRP who were known to him. NATIONAL STATE RIGHTS PARTY  
(LOUISIANA - MISSISSIPPI)  
(NSRP)

The July, 1962 issue of "The Thunderbolt", self-described as the official white racial organ of the National States Rights Party, contained an article on page 7 which stated in part as follows:

b6

b7C

"NSRP Members actively campaigned against the race mixers in recent elections and by alerting the people the people helped put good white men in public office. .... It is the job of the NSRP in New Orleans to check records of each candidate then alert the people of who to vote for, and [redacted] of New Orleans [redacted] [redacted] has been doing a good job of alerting the people."

On September 18, 1963, [redacted] advised Agents of the Federal Bureau of Investigation that he is a member of the NSRP. He stated that the party is strongly opposed to violence and believes that the proper way to counter the trend towards socialism on the part of the United States Government is thru the ballot box in accordance with the Constitution.

A confidential source advised on November 18, 1963, that the NSRP was then almost inactive in Louisiana and the only known active members were [redacted].

[redacted] This source stated that the NSRP in Louisiana was affiliated with the national organization of the NSRP with headquarters in Birmingham, Alabama.

### I

#### AMERICAN NAZI PARTY OF THE WORLD UNION OF FREE ENTERPRISE NATIONAL SOCIALISTS, ALSO KNOWN AS THE GEORGE LINCOLN ROCKWELL PARTY

In his book, "This Time the World", copyrighted in 1961, George Lincoln Rockwell identified himself as Commander, American Nazi Party of the World Union of Free Enterprise National Socialists (ANP - WUFENS), Arlington, Virginia.

The April 4, 1963, issue of "The Richmond News Leader", a Richmond, Virginia, daily newspaper, reported that George Lincoln Rockwell had, on the previous day, again applied for the American Nazi Party to be chartered in the State of Virginia, but this request was turned down by the Virginia State Corporation Commission. This action was taken pursuant to an act of the 1962 Virginia Assembly which prohibits the use of "Nazi" or "National Socialism" in a Virginia charter. This article further pointed out that Rockwell's party is presently chartered in the State of Virginia as the George Lincoln Rockwell Party.

On August 19, 1963, a source advised that the ANP - WUFENS was organized by George Lincoln Rockwell at his residence in Arlington, Virginia, on February 26, 1959, as an international "National Socialist" movement based on the German Nazi Party headed by Adolf Hitler. He added that Rockwell is the dominant force and personality in this party; that he is espousing a "line" of hatred against the Jews and Negroes; and that he is seeking, through speeches, distribution of literature, and picketing, to establish a cohesive and dominant political party in the United States and in foreign countries.

On December 13, 1963, this source advised that in about September, 1960, the ANP initiated the Fighting American Nationalists (FAN) as a front group for the ANP although it has never been a separate organization. The source said the FAN name is merely used on occasion instead of the ANP name and there are no separate officials for FAN, the FAN officials being identical with the ANP officials. He stated that George Lincoln Rockwell has informed him the FAN name was originally used as a device to attract supporters to his organization who might rebel at the use of the swastika and at being labeled as a Nazi.

He added that the ANP has operated under the FAN name throughout the country with the exception of a group operating under the FAN name in Baltimore, Maryland. He said the FAN group in Baltimore is now, and always has been, a separate organization and not a part of the ANP.

On October 3, 1963, [redacted] the

[redacted]  
Maryland, advised that the Baltimore FAN, which was organized in the Spring of 1961, has no official connection with the ANP although until December, 1962, it received all its literature from George Lincoln Rockwell's ANP.

According to the "Stormtrooper's Manual", an official publication of the ANP, the phases of ANP struggle for power are fourfold, namely, first: "to make ourselves known to the masses; second: "the dissemination of our program and the truth about the Party; third: "organizing the people who have been converted to our propaganda; and fourth: "that attainment of power through the votes of the newly-won masses".

RACIAL MATTERS  
OO: Birmingham

Re San Diego letter to the Bureau dated 3/16/65  
entitled "NATIONAL STATES RIGHTS PARTY (NSRP) RACIAL MATTERS."

In referenced letter, the San Diego Division advised  
that one of the persons who had been identified as being a member  
of the National States Rights Party (NSRP) was [redacted]

For the information of the Bureau, [redacted] has been  
identified as being identical to the [redacted] a [redacted]  
of the [redacted] An  
investigation has been conducted by this office to the background  
of [redacted], and it has been determined through conversations  
with [redacted] who  
is [redacted] immediate supervisor, that [redacted] attended one  
meeting of the NSRP and thereafter informed [redacted] that this  
group was too extreme for him and that he intended to have  
nothing further to do with this organization.

[redacted] has been interviewed on several occasions  
during the past month concerning activities of the Citizens'  
Councils of America (CCOA), and he has and continues to furnish  
considerable information concerning the makeup and activities  
of the local CCOA group. During interview by Agents of this  
office concerning the CCOA, [redacted] volunteered that he attended  
one meeting in San Diego of the NSRP and considered the group  
too extreme and that he wanted nothing further to do with their  
activities and did not intend to attend any of their meetings.

The reports of trials of thieves

thing more than anti-Gentileism!  
John Drzazga,

## LBJ Would Make Whites Second Class Citizens

Editor, "The Thunderbolt"  
Birmingham, Ala.

In his determination to have  
the upper hand over Gentiles, the  
Jew looks upon would-be-su-  
preme King Koon as a valuable  
ally, and vice versa. So let us  
mark this obvious fact: should  
the black achieve his coveted  
goal, we whites would not  
fare as well as the black  
has under the white, this now  
even with a shoe shine outfit, and  
we would speedily get to know  
what the Negro means by 'white  
trash.' It would entail much more  
than a push off the sidewalk!

Under an overlordship Jew about  
the only condolence that would be  
left us would be that the Jew  
would still have the Negro prob-  
lem on his hands, which he would  
solve by shipping the koons back  
to the land of their forebearers.  
Those who could pay their fare  
would be made to pay it; what was  
left over of their confiscated  
worldly wealth would be used to

pay the transportation of the less  
fortunate ones.

I did not vote the presidential  
ballot in the last election because  
it was evident that there was no  
lesser evil of the two to choose  
between L.B.J.'s forthcoming  
record was all too obvious to  
foresee, Goldwater has in him the  
ancestral blood of the stinking  
Jew and would have favored his  
kind.

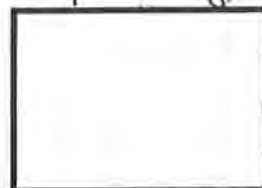

Judging by the number of en-  
tries in national prize contests  
that offer multi-thousands in  
prize money it appears evident  
that few Gentiles are wise to  
the fact that the majority of the  
contests are Jew sponsored --  
and Jew-rigged. Names of the  
contestants are carefully sifted  
before the winners are selected,  
lest the prize booty fall into non-  
Jewish hands. Hence Gentiles  
stand no chance of winning.

Signed,

W. P. Schramm

DETAILS:

NATIONAL STATES RIGHTS PARTY (NSRP) ACTIVITIES IN ALABAMA

A characterization of the NSRP is being set out in the appendix of this report.

On November 4, 1965, [ ] Confidential Informant [ ] advised that as of October 19, 1965, the NSRP maintained its National Headquarters in the Marion Building, Augusta, Georgia. [ ] stated that the NSRP continued to publish "The Thunderbolt" and its current mailing address was Post Office Box 184, Augusta, Georgia.

[ ] also advised he had learned that in October 1965 [ ]

[ ] further stated he knew of very little NSRP activity within the state of Alabama since [ ] and the NSRP had moved away from Birmingham, Alabama, during July 1965.

On April 27, 1965, [ ] advised that as of that date [ ] was employed full time at NSRP Headquarters, 1865 Bessemer Road, Birmingham, Alabama. [ ] stated [ ] was working at NSRP Headquarters on April 27, 1965, and made known that he had lost his job at a [ ] in Birmingham. [ ] also stated that [ ] was then the [ ] the NSRP.

b6

b7C

On May 11, 1965, [ ] further advised that on that [ ]

[ ] stated that on May 9, 1965, about 11 cars traveled from NSRP Headquarters in Birmingham to a public meeting held by the United Klans of America, Inc., Knights of the Ku Klux Klan, (UKA, Inc., KKKK) in Anniston, Alabama, at 1 PM on May 9, 1965.

BH 105-477

[redacted] passed out copies of "The Thunderbolt" at the Anniston meeting mentioned above and that [redacted] and [redacted] (UKA officials) spoke at this meeting.

A characterization of the UKA is being set forth in the appendix of this report.

On June 3, 1965, [redacted] Confidential Informant [redacted] made available a two-page leaflet then being distributed by the NSRP in Birmingham, Alabama. This leaflet carried a photograph of J. B. STONER, an attorney-at-law in Atlanta, Georgia, and reflected that STONER would tour the West Coast of the United States. It also stated that the "NSRP Launches Vast Northwest Tour." The article also stated that Attorney J. B. STONER, described as the Vice Chairman of the NSRP, would begin an important speaking tour of the far Northwest on June 4. It was also stated that Attorney STONER would board a Delta jet in Atlanta, Georgia, at 11:40 AM, June 4 (1965) and would arrive in Vancouver, Canada, at 9:10 PM on June 4. STONER, according to the article, would be greeted at the airport by [redacted] and other "Party" members and that [redacted] had furnished information to the effect that at least 20 representatives of the press and TV would be on hand to interview Mr. STONER. The object of STONER's visit reportedly would be to lay plans to fight the Canadian Government's "cowardly attack" on "Freedom of The Press" when they banned "The Thunderbolt," the NSRP newspaper, from being mailed into Canada. The article stated that Attorney STONER would register a "stern protest" against this "un-Constitutional action" with the Canadian Government. It also was stated that [redacted] had scheduled three "speaking" for Attorney STONER, plus numerous interviews.

The article further stated that "from there (Canada)" Attorney STONER would be driven by "local supporters" to Spokane, Washington. According to the article, [redacted] would sponsor Attorney STONER who would speak to supporters in that area. According to the article, [redacted] would bring local members to "this meeting from the Western parts of Montana." From Spokane, Washington, it was stated that Attorney STONER would go to Seattle, Washington, where he would speak on June 11, 1965, and that he would then speak in Tacoma, Washington, on

BH 105-477

June 12. From Takoma, he would go to Portland, Oregon, for a meeting on June 14, according to the article, and STONER's "next visit" would be in San Francisco, California, where he would meet with "local Patriots" on June 16, 1965.

The leaflet in part reads as follows:

"REMEMBER [REDACTED]

b6

b7C

[REDACTED] of 'The American Nationalist,' a well-known right-wing publication during the 1950's. [REDACTED] (in Calif.,) almost five years now on the insignificant charge of 'attempting to bribe a police officer.' The case began over a minor street infraction, which the court dismissed. It was then charged that [REDACTED] tried to give the arresting officer some money not to take him in. (This is like giving a policeman five dollars not to give you a traffic ticket.) Anyway [REDACTED] was given 1 yr to life as a result. Most men would be released within a few months on such a charge. BUT [REDACTED] HAS NOW BEEN IN [REDACTED] FOR ALMOST FIVE YEARS, WITH NO RELEASE IN SIGHT. The last parole officer to review his case was a Negro, who turned [REDACTED] down. Armed robbers and other dangerous criminals have been released in much shorter time than what [REDACTED] has already served. Atty. Stoner will visit with [REDACTED] in prison on June 18th and we hope that arrangements can be made at that time for a new hearing. It is our goal to reopen this case in the federal courts. Atty. Stoner will handle the appeal. We will give you a more detailed report on this case when Mr. Stoner returns. From there Atty. Stoner will go to Los Angeles for a series of meetings. This is a stronghold for NSRP and Atty. Stoner hopes that a Headquarters can be opened in Southern Calif. San Bernardino and San Diego will be other stops during Atty. Stoner's trip. We feel that our Movement is needed more now in the West Coast than ever before. This entire tour will take about a month and a half. Atty. Stoner will be the guest of [REDACTED] while in Los Angeles. It is important that this speaking tour be a big success and we know that local supporters will do all in their power to see that it is. This is but a part of the over all national drive of NSRP. We plan more speakings and other action moves this Summer. To step up our program, we need your help!"

On June 3, 1965, [ ] advised that [ ] an NSRP member who is now reportedly in Canada, had taken part in NSRP activities concerning the racial situation in Birmingham, Alabama, during a part of 1963 and 1964.

On June 25, 1965, [ ] advised that [ ] had just informed him that [ ] had just departed Birm. [ ] am en route to the state of Ohio. UNITED KLANS OF AMERICA, INC.  
KNIGHTS OF THE KU KLUX KLAN (UNITED KLANS)

Records of Superior Court of Fulton County, Georgia, show that this Klan organization was granted a corporate charter on February 21, 1961, at Atlanta, Georgia, under the name United Klans, Knights of the Ku Klux Klan of America, Inc.

A source advised on February 27, 1961, that United Klans was formed as a result of a split in U. S. Klans, Knights of the Ku Klux Klan, Inc. According to the source, the split resulted from a leadership dispute and United Klans has the same aims and objectives as the parent group. These are the promotion of Americanism, white supremacy and segregation of the races. b6 b7C

The first source and a second source advised in July, 1961, that United Klans, Knights of the Ku Klux Klan of America, Inc., merged with Alabama Knights, Knights of the Ku Klux Klan. The merged organization established headquarter in Suite 401, The Alston Building, Tuscaloosa, Alabama. The organization is [redacted] and is the dominant Klan group in the South with units in several southern states.

On August 14, 1961, the second source advised that the organization formerly known as United Klans, Knights of the Ku Klux Klan of America, Inc., would be known in the future as United Klans of America, Inc., Knights of the Ku Klux Klan. The second source said the name was changed by a resolution adopted at the National Klonvocation held July 3, 1961, at Indian Springs, Georgia.

Second source advised that at a meeting at Prattville, Alabama, on October 22, 1961, a majority of the Klaverns of the U. S. Klans, Knights of the Ku Klux Klan, merged with the United Klans of America, Inc., Knights of the Ku Klux Klan.

race relations in a small community." b6 b7C

On Page 8 of this issue of "The Thunderbolt" in an  
article entitled "NSRP to Hold Series of Meetings", it is stated  
that the NSRP plans to hold more rallies in 1967 than ever before.

article "How to Organize an NSRP Chapter" [redacted]  
NSRP [redacted]

[redacted] urges present members of the NSRP to sign up  
at least ten new members in 1967. He indicates that the NSRP  
in Jacksonville will be able to do this and challenges other  
NSRP groups to do the same. New members must be brought into the  
main stream of party activities and new chapters must be organized.  
[redacted] urges the use of official meeting procedure as outlined  
in Article 11 of the NSRP Constitution and By Laws and this  
meeting procedure is set forth in the article.

Page 8 of "The Thunderbolt" in an article entitled

National Executive Committee of the NSRP announces an increase in  
party's initiation fee from \$8.00 to \$10.00 effective March 1,  
1967. It explains that the increase is necessary due to increased  
cost of rent, printing, organizing expense and increased operation  
of the party.

article entitled "NSRP Action Plan", the following is set forth:

Whites in Self-Preserva-  
tion Fight, Claim

The vice-chairman of the National States Rights Party said Sunday that white people in the United States are now involved in a struggle for self-preservation.

J. B. Stoner, an Alabama attorney, was in New Orleans to address a rally of the Crescent City chapter of the party at Bud's Flower Room, 5701 St. Claude.

In his address, Stoner claimed that U.S. domestic policy is directed by the United Nations and that elected officials in Washington have allowed this because of their own personal ambitions.

He also charged that the Jews are exploiting the Negroes.

"Ever since its inception, the National Association for the Advancement of Colored People," he said, "has been run by Jews. Once the Negroes wanted to control the organization; but were told if they took over, the money flow would stop."

Among other things, he charged that Martin Luther King is a publicity seeker; that the Federal Bureau of Investigation is subverting the American people; and that the news media have not given states righters equal coverage.

He said the aim of the National States Rights Party is to destroy all friendship between Negroes and whites, and the only way "to make America free again is to rid the country of Negroes and Jews."

Prior to Stoner's talk, those present were invited to express their views, and A. Roswell Thompson, local taxicab operator, served as master of ceremonies.

On May 2, 1967, [redacted] were contacted by Special Agent [redacted] at their home at [redacted]. After being made aware of the identity of the interviewing agent and the nature of the inquiry, [redacted] (who did all the talking) stated that she and her husband did attend a meeting of the National States Rights Party in New Orleans in February of this year. She advised that neither she nor her husband are members of this group, but believe that it is politically sound and buy and read literature put out by this group.

[redacted] continued by stating the problems facing the United States were not entirely racial, even though she is a segregationist. She feels that the "Jews on Wall Street" are just as much to blame for the condition of the country. She further stated that her and her husband's only interest in supporting such groups as the National States Rights Party (NSRP) is because that they feel that the "white, Christian people" must band together to elect decent congressmen and national leaders and oust the communists who infest the government.

[redacted] advised that she did not care to furnish any personal or descriptive information as she did not feel this was necessary.

NATIONAL STATES RIGHTS PARTY

The September, 1967, issue, #93 of "The Thunderbolt", self-described as the official white racial organ of the National States Rights Party, a characterization of which appears in the Appendix hereto, has on page one a quotation from Lyndon Johnson, "I Will Take From The Whites And Give To The Negroes". This article concerns the request for a tax hike and its possible effect on the Negro community.

b6

b7C

Page two of this issue pertains to mixed marriages, threats by Negroes to white women and possible non-profit segregated white schools being subject to tax.

Page three of this issue contains an article regarding [redacted] associated with the Department of Housing and Urban Development, and methods used in forcing integration in low rent public housing. This same page also contains an article concerning more Negroes being placed in the National Guard units in hopes that the white National Guardsmen will "go easy" on Negro rioters when fellow guardsmen are Negroes. Page three also contains an article, "Conn. Waking Up" in which it is stated that "New Haven, Conn. has received and spent more urban renewal per capita than any other city in America. Yet, they have had very vicious race riots. The Mayor said 'If we are a model city, God save the rest of the cities'". The article continued by stating that Cheshire, Connecticut, is also having race problems due to the fact that the City Board of Aldermen desired to pass a resolution "welcoming additional new white families to our community". The article stated that the city housing population is 15,000, that the city has only 50 Negroes and the townspeople feel that is enough.

This document contains neither recommendations nor conclusions of the FBI. It is the property of the FBI and is loaned to your agency; it and its contents are not to be distributed outside your agency.

### NATIONAL STATES RIGHTS PARTY (NSRP)

On November 26, 1957, a source advised that the United White Party (UWP) was organized at a convention held in Knoxville, Tennessee, on November 10, 1957. An article in the November 26, 1957, issue of the "Greenville Piedmont", a newspaper of Greenville, South Carolina, reported "the recent formation of a new political party, to be known as the United White Party". On Oct. 20, 1967, [redacted] Jackson, Miss. PH, advised that:

Detectives [redacted] and his partner went to the Travel Inn Motel, Highway 55 S., on the night of Oct. 19, 1967 and at about 8 PM they were approached by a man who identified himself as [redacted]. [redacted] wanted to know if they had come to the meeting and stated it must be their first meeting. They acknowledged it was and [redacted] stated he was with the National States Right Party in Alabama and was holding three meetings in the Jackson area. He furnished them a pamphlet of that party and talked of the Meridian, Miss. trial involving the deaths of Civil Rights workers and stated the Government should be on trial, not the eighteen men.

The detectives observed [redacted], [redacted], [redacted] and [redacted] and [redacted] and [redacted] all of whom live in Jackson and are known to be connected with Klan activities at this meeting. They and some 20-22 others were in the meeting room and when they observed that policemen were present, they proceeded to acknowledge that policemen were present, closed the door, and apparently the meeting proceeded. # THE PEOPLE SPEAK: 15 1 10-11 No Room In America For Secret Police Group

MERIDIAN STAR: In the beginning the FBI was supposed to be an information-gathering agency for the Justice Department. Now it has become an intimidation agency for the Justice Department. The FBI is engaged in a pursuit which takes up more of its time than investigating crime. This is the spreading of confusion, lies and mistrust among the people.

The FBI questions whites who oppose integration and tries to scare them. It pays people to lie about innocent people. There is no room in a free America for secret police or subversive organizations.

Only you can stop them. Stop supporting any organization that backs the dictatorship parties. It is about time that the Democratic and Republican parties (and anyone who belongs to them) learn that the people run this country. It is time that local citizens request that the FBI leave their towns. If you don't, you will suffer the most.

Vote Wallace for President. Christ over all, BOBBY CARL HILL member, National States Rights Party, Collinsville, Miss.

P. S. The three nightly National States Rights Party rallies held last month in Jackson, Mississippi, had a good turnout. Jackson is one of the largest membership areas.

Attorney J. B. Stoner spoke at the last of the rally held on Saturday. Some of his comments were reproduced in the local Jackson newspaper which covered the story. We wish to

thank the people of Jackson for their support.

DETAILS:

A characterization of the National States Rights Party (NSRP) is contained in the Appendix of this report.

I. ORGANIZATIONAL STRUCTURE

A. Headquarters

The April, 1967, issue of "The Thunderbolt", self-identified as the publication of the NSRP, announced that the National headquarters of the NSRP as well as the offices of "The Thunderbolt" were moved from Augusta, Ga., to Savannah, Ga., effective before the end of March, 1967. The notice related that the Savannah mailing address would be P. O. Box 6263, Savannah, 31405; telephone number 355-4271.

On March 29, 1967, [redacted] Savannah, Ga., advised that he had leased the one story apartment structure located at 8 Montgomery Crossroads, Savannah, to JESSE B. STONER for use as an attorney's office and to be utilized as the headquarters of the NSRP. The lease was effective April 1, 1967.

On January 30, 1968, [redacted] advised that the permanent employees at the National office of the NSRP, Savannah, consisted of JESSE B. STONER, [redacted] and two female clerical employees, who had been recently hired. [redacted] identified [redacted] as an elderly individual who did most of the errand jobs.

B. Charter Information

On November 26, 1957, [redacted] advised that the United White Party (UWP) was organized at a convention held in Knoxville, Tennessee, on November 10, 1957. An article in the November 26, 1957, issue of the "Greenville Piedmont", a newspaper of Greenville, South Carolina, reported "the recent formation of a new political party to be known as the 'United White Party'". According to the article, the party was formed at a recently held meeting in Knoxville at which many Klansmen were represented. The UWP was reported as being opposed to all "race mixing organizations and individuals".

The July, 1958, issue of "The Thunderbolt", self-described at that time as the "official Racial Nationalist Organ of the National States Rights Party", reported that rank and file "States Righters" had merged with the UWP under "the banner of the National States Rights Party" with National offices at P. O. Box 261, Jeffersonville, Indiana.

In November, 1958 [ ] related that the NSRP was composed of past members of klan-type organizations and notorious anti-Semites.

Subsequent moves of the National offices of the organization have been announced in "The Thunderbolt":

June, 1960            Birmingham, Alabama

July, 1965           Augusta, Georgia

#### C. Objectives

The February, 1967, issue of "The Thunderbolt" listed some of the NSRP membership objectives as belief in "Christianity, the white race and its preservation throughout the world, only white race immigration, the complete separation of the races to preserve white civilization, a free white America..." It was noted members were against "Jews, Communism, monopoly, race mixing and internationalism". On February 9, 1968, [ ] advised that the NSRP continued its vociferous opposition to "anything Jewish or Negro" through use of speakers like J. B. STONER, [ ] and [ ] who spoke for the NSRP throughout the country. [ ] noted that the organization appeared to be more successful and active in areas of racial unrest.

#### D. National Officers

JACKSONVILLE, FLORIDA

On August 28, 1967, [REDACTED] advised that the National Convention of the NSRP was held on August 26, 1967, at 920 Main Street, Jacksonville, Fla.. The Convention was in session from 1:00 p.m. to 5:00 p.m. and from 7:00 p.m. to 10:00 p.m. on this date and approximately 125 people were in attendance.

Among the speakers were [REDACTED]

and [ ] of California; J. B. STONER and [ ]  
as well as [ ] of Maryland and [ ] of  
Ohio.

[ ] speech called for continued opposition to integration in the United States and called for white people to organize to stop the Federal Government from continuing to support the Negroes against the white people. In referring to these Federal officials, [ ] stated that when the NSRP takes power they will "hang them all from the Presidency down through Congress. Their heads will be on poles from coast to coast and from border to border". He said the white people must arm themselves so that they will be in a position to protect themselves and their families from Negroes.

Among the things stated by J. B. STONER in his talk was the claim that the Jews were responsible for financing the Civil Rights movement in the United States. He also stated that the Federal Government wished to destroy klan organizations and the NSRP; that although people now talk about the 6,000,000 Jews killed in Germany by GOEBBLES, the NSRP will make GOEBBLES look like a Sunday School teacher. [ ] addressed those present and stated among other things that all NSRP members and white people should keep their guns in order to protect themselves. He called for the NSRP to organize more people to fight against integration and stated that the NSRP must increase its membership in the northern areas.

The "Florida Times-Union" newspaper dated August 27, 1967, at Jacksonville, Florida, contained an article captioned "Right Wing Unit Opens Meet Here" which contained information regarding the National Convention of the NSRP being held in Jacksonville. This article stated that delegates from 19 states attended the Convention.

VI. MISCELLANEOUS

On January 29, 1968, [ ] related that he estimated there were about 24 to 3,000 mail-correspondent type members and contributors of the NSRP located throughout the country, noting that this estimate was based on an observation of a list of names of these individuals maintained by J. B. STONER. He said that by "members" he meant those individuals who paid \$10 per year dues, noting that he had no way of telling the actual active members and he described a contributor as an individual who regularly, usually monthly, gave a sum of money to the organization. [ ] said he estimated the total subscription list of "The Thunderbolt" to be about 6,000 at this time. He noted that it was his understanding that the membership list was constantly changing due to the fact a subscriber might become a contributor and a contributor might become a member or vice versa. [ ] related that it was his understanding also that the NSRP desired to relocate its National Headquarters Offices which he understood were presently in Savannah, Georgia. He said that STONER had mentioned he was searching either for another location in Savannah or might possibly relocate somewhere in Florida.

(NSRP)

On November 26, 1967, a source advised that the United White Party (UWP) was organized at a convention held in Knoxville, Tennessee, on November 10, 1957. An article in the November 26, 1967, issue of the "Greenville Piedmont", a newspaper of Greenville, South Carolina, reported "the recent formation of a new political party, to be known as the United White Party". The UWP was reported as being opposed to all "race mixing organizations and individuals".

The July, 1958, issue of "The Thunderbolt", self-described as the "official Racial Nationalist Organ of the National States Rights Party" (NSRP), reported that rank and file "States Righters" had merged with the UWP under "the banner of the National States Rights Party", with national offices at Post Office Box 261, Jeffersonville, Indiana.

In November, 1958, a source advised that the NSRP is composed of past members of Klan-type organizations and notorious anti-Semites.

UNITED KLANS OF AMERICA, INC.,  
KNIGHTS OF THE KU KLUX KLAN (UKA)

Records of Superior Court of Fulton County, Georgia, reflect that this Klan organization was granted a corporate charter on February 21, 1961, at Atlanta, Georgia, under the name United Klans, Knights of the Ku Klux Klan of America, Inc.

A source advised on February 27, 1961, that United Klans was formed as a result of a split in U. S. Klans, Knights of the Ku Klux Klan, Inc. According to the source, the split resulted from a leadership dispute, and United Klans has the same aims and objectives as the parent group. These are the promotion of Americanism, white supremacy, and segregation of the races.

The first source and a second source advised in July, 1961, that United Klans, Knights of the Ku Klux Klan of America, Inc., merged with Alabama Knights, Knights of the Ku Klux Klan. The merged organization established headquarters in Suite 401, Alston Building, Tuscaloosa, Alabama. (The organization is directed by [redacted] and is the dominant Klan group in the South, with units in several southern states.)

Second source advised that at a meeting in Prattville, Alabama, on October 22, 1961, the U. S. Klans, Knights of the Ku Klux Klan, merged with the United Klans of America, Inc., Knights of the Ku Klux Klan.

Third source advised on May 25, 1967, that the UKA is currently an active organization, with Klaverns in several states. This source said that [redacted] is the [redacted] of this organization and was elected to this position on September 5, 1964, at a National Klonvocation in Birmingham, Alabama. The March, 1968, issue of "The Thunderbolt", the official publication of the NSRP, a characterization of which appears in the attached Appendix, is headlined on Page 1, "Republican Party Backs Open Housing Bill ... Dirksen and Nixon Join to Force Open Housing Bill through Congress".

The article accompanying the main Page 1 headline charges that Senator Everett Dirksen and Richard Nixon conspired to betray white people by supporting the pending legislation in the U. S. Senate on open housing. The article concluded that the white people have been "sold out by cowardly politicians in their quest for the Black Bloc vote" and urges the readers to rally and join the NSRP.

Another Page 1 article contains comments on the report recently issued by President Johnson's Riot Commission. It states that the report blames "White Racism" for all of last summer's riots. It also notes that [redacted] of "The Thunderbolt", was recently in Baltimore, Maryland, and was taken on a tour in which he saw the good repair in which homes were maintained in white neighborhoods and disrepair in which similar homes were maintained in the Negro neighborhoods. b6 b7C

The article charges that thousands of arrested Negroes were turned loose in Detroit, Michigan, and Newark, New Jersey, reputedly because "they were innocent". It charges that the liberal element which continues to appease the Negro is guilty of the rebellious condition in the country and states that such liberals must be replaced with "right wing conservatives" at every level of government.

Page 2 contains various "news flashes" about a Negro mayor in Cleveland, Ohio, being given the slim margin of victory by the city's huge Jewish population. The same column contains various other short articles pertaining to Jews and Negroes as well as the recommendation that Asiatic immigration should be curtailed. Another article on this same page relates a story about a football coach in Dayton, Ohio, who was killed by a Negro man after the coach, a white man, requested that the Negro leave the sidelines when the team was scrimmaging.

Page 3 is headlined "Jews Who Run Federal Government" and contains a list of individuals in the U. S. Government who it states are Jews. It charges these Jews with losing the war in Vietnam, letting Black Revolutionists organize to burn cities, passing the most vicious anti-white civil rights bills in the history of the country, taxing white working people so that blacks can live high without working, and adopting illegal school guidelines for debasing of the white race. b6 b7C

Other shorter articles on the same page relate to a Negro aide of Governor Ronald Reagan of California marrying a white woman, that President Johnson wants to raise taxes to be used in poverty aid programs, and that the FBI fears the three-man klan squads, explaining that the FBI complains that the three-man squads make it impossible for the FBI to plant spies or paid pimps in klan ranks.

Pages 4 and 5 are mainly devoted to allegations that the Jews are perpetrating a "Kosher food racket", being paid a fee by various companies to certify that nothing occurs in the processing of their products which would violate Jewish dietary laws.

Page 6 contains the masthead of the publication which notes that [redacted] is the [redacted] and that the mailing address of the publication is Post Office Box 6263, Savannah, Georgia. The editorial on this page is identified as being written by [redacted] and is headlined "Orangeburg Formula Shows the Way". This editorial refers to mobs of Negro students rioting at an

NATIONAL STATES RIGHTS PARTY,  
(NSRP)

all-Negro college at Orangeburg, South Carolina, during early February, 1968, and the action taken by the police in opening fire on the rioting mob being responsible for its quick end. The article congratulates the South Carolina State Police and the Orangeburg Police Department for showing the entire nation the correct formula for stopping Negro rioting.

The balance of Page 6 and part of Page 7 are devoted to letters to the editor, some of which contain detrimental comments concerning the President's Riot Commission as well as allegations against Negroes and Jews.

One of the letters against open housing is signed with the name [redacted] and states that advocates of open housing strike at the very heart of American freedom. b6 b7C

Page 8 of the publication is the entertainment section and contains a review of the movie "Candy" which it states is a race mixing film. The review concludes that the white race has a right to live and preserve its blood lines. It states that all supporters should bring to bear every possible influence to discourage theater owners from showing this despicable movie, stating that "Candy" sinks to the very depths of the gutter and is not fit for any teen-ager or adult to view. The article says that white Christian Americans must take back control of our nation and guide its destiny as our forefathers would have wanted, with noble and up-lifting ideals for the white race.

Page 9 contains a reproduced letter from Gerald Hirschfeld, identified as the Vice President of MPO Pictures, Inc., New York, New York, in which he objects to the recent review by "The Thunderbolt" of the film "The Incident". The letter charges that the publication has missed the point of the film. In an article accompanying this reproduced letter, the publication states that over 90 percent of acts of street crime are committed by Negroes and asked Hirschfeld why the motion picture and television industry never portrays the Negro as a criminal.

NATIONAL STATES RIGHTS PARTY,  
(NSRP)

b6

b7C

Another article on this same page charges that the organization known as "Liberty Lobby" has issued a deliberate and false smear against the NSRP in its February, 1968 issue of "Liberty Low-down". This article charges that the article in "Liberty Low-down" misquotes "The Baltimore Sun" newspaper as stating that [redacted] was arrested in March, 1966, for disseminating scurrilous and obscene pamphlets. It states that the "Liberty Lobby" leaves out another part of the same article which explains that the so called obscene literature was a copy of a police record showing that Negro Bayard Rustin is a homosexual. The article states that [redacted] for "Liberty Lobby" wrote [redacted] that they had quoted an item in a liberal newspaper and that the use of the word obscene by the paper did not mean that NSRP members were circulating pornographic pictures; however, the article states that [redacted] did not explain this to the "Liberty Lobby" readers and has thus far declined to run a retraction or correction.

Page 10 is mostly devoted to an advertisement of the book, "The Negro A Beast", by Professor Charles Carroll.

Page 11 contains one article "In Memoriam", stating that on February 3, 1968, a patriot passed from our midst. The article relates that Bernard Lee Akin of Meridian, Mississippi, died of a heart attack after a brief illness and says that Mr. Akin was a strong supporter of "The Thunderbolt", often ordering large numbers of extra copies for distribution to his friends and neighbors. The article identifies Akin as one of eight men found not guilty last October 20th by a jury that convicted seven other men in the FBI frame-up case relating to the deaths of the New York Jews Michael Schwerner and Andrew Goodman as well as Negro James Chaney. The article charges that Akin was unjustly harassed by the FBI during this case, yet won out over their intimidation and threats.

The other portion of Page 11 is devoted to advertisements about giving gift subscriptions to "The Thunderbolt" as well as calling on readers to buy and distribute extra copies and to mail the publication to friends.

NATIONAL STATES RIGHTS PARTY,  
(NSRP)

Page 12 reproduces a membership application for the NSRP, noting that yearly dues are \$10.00. The other portion of the back page relates to a list of various books and literature available, as well as an announcement that the \$3.00 annual subscription rate has been extended to March 31st.

According to the article, the party was formed at a recently held meeting in Knoxville, Tennessee, at which many Klansmen were represented. The UWP was reported as being opposed to all "race mixing organizations and individuals."

The July, 1958, issue of "The Thunderbolt," self-described as the "official Racial Nationalist Organ of the National States Rights Party" (NSRP), reported that rank and file "States Righters" had merged with the UWP under "the banner of the National States Rights Party," with national offices at Post Office Box 261, Jeffersonville, Indiana.

In November, 1958, a source advised that the NSRP is composed of past members of Klan-type organizations and notorious anti-Semites.

Issue Number 19, dated June, 1960, of "The Thunderbolt" announced the address of the headquarters of the NSRP had been changed from Jeffersonville, Indiana, to Post Office Box 783, Birmingham, Alabama.

A source advised on October 25, 1963, that an organization known as the Original Knights of the Ku Klux Klan (OKKKK) had been organized in the State of Louisiana at Shreveport, Louisiana, in December of 1960.

A second source advised on August 12, 1966, that the OKKKK continues to be active within the State of Louisiana, and that the aims and purposes of this organization continue to be to promote Americanism, the supremacy of the white race, and the furtherance of segregation between the races.

WHITE KNIGHTS OF THE KU KLUX KLAN  
OF MISSISSIPPI (WKKKKOM)

A source advised that on February 15, 1964, approximately 200 members of the Original Knights of the Ku Klux Klan from the State of Mississippi met at Brookhaven, Mississippi. Those present decided to defect from the Original Knights and to form their own Klan group in Mississippi to be known as the White Knights of the Ku Klux Klan of Mississippi.

This source advised that the aims and purposes of the WKKKKOM are to preserve Christian civilization, protect and promote white supremacy and the segregation of the races, to fight Communism and to extend the dignity, heritage, and rights of the white race of America.

The same source advised on August 25, 1967, that the WKKKKOM is an unincorporated, secret organization existing in the State of Mississippi and formed for the sole purpose of preserving white supremacy regardless of the cost and including the use of force and violence. The official constitution and other directives of the organization do not openly advocate the use of force or violence; however, it is generally conceded among the members that in the end force and violence will be the salvation of the white man regarding his relationship with the Negro race. The WKKKKOM is controlled by the Imperial Wizard and state officers. The state is divided into districts and provinces. There is an estimated membership as of August 25, 1967, of 400 to 600 dues-paying members of this organization. The aims and purposes of the organization continue to be the same as when the organization was created in February, 1964.

## Pistols Are Confiscated From NSRP Visitors Here

Two visitors at last night's National States Rights Party meeting here were detained for "going the wrong way," and a pair of pistols impounded.

Detectives said the men were detained after Joe Daniels Hawkins, 2610 Brookwood Drive, Jackson, was arrested for driving the wrong way on a one-way street.

Taken into custody with Hawkins, but not booked, was W. T. Pickel, 715 Evergreen, Jackson.

The two pistols, a .45 caliber automatic and a .38 caliber revolver were taken and the pair released.

Police said a "host" of squad cars, including some FBI agents, descended on the pair.

No racial incidents were reported in Meridian, and only a small extra crew of policemen

drew extra duty as a precautionary measure last night.

NATIONAL STATES RIGHTS PARTY  
(NSRP)

The April, 1968, issue, #100, of "The Thunderbolt", the official publication of the National States Rights Party, a characterization of which appears in the attached Appendix, has a page one article headlined "Riot Commission Report Backfires.... Whites Openly Protest LBJ's Charging Them Guilty of Riots".

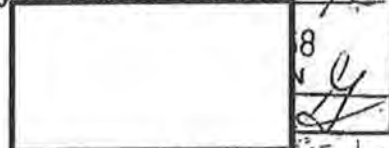

The accompanying article attacks the conclusions reached in the recent report issued by the National Advisory Commission on Civil Disorders, charging that the appointed committee did not write the report but that it was entirely

[redacted] whom it identifies as a long-time member of the socialist Americans for Democratic Action. The article concludes on page two that it is time to cease appeasing the Negro and it is time to get tough with him. It notes that the police in Orangeburg, South Carolina, have shown how to put down riots and relates that once black insurrectionists were gunned down by the law officers, peace returned.

An article on page two charges that "another Jew" also wrote the State of New Jersey riot reports. This article concludes that it is organized Jewry which continues to tell the Negroes they are oppressed and should demand more. It states that repeatedly the Jew agitates the Negro to violence.

This document contains neither recommendations nor conclusions of the FBI. It is the property of the FBI and is loaned to your agency; it and its contents are not to be distributed outside your agency.

Page three contains a headlined exhortation for readers to write their congressman in order to "beat open housing".

Another article on the same page relates a story that rich Negroes are traveling to Sweden to obtain white wives. This article also contains the claim that "The Thunderbolt" circulates in all fifty states and in all of the western European countries.

Page four contains an article commenting on the court leniency given individuals identified as supporters of President Johnson. It names such individuals as [redacted] and [redacted]

The principal article on page five charges that Negroes desert under fire in the war in Vietnam, relating that the Negro has been given the opportunity to prove his "equality" but has failed.

The editorial page, page six, contains the masthead which notes that "The Thunderbolt, Inc." is published monthly and that the subscription rate is \$5 per year. It gives the mailing address as Post Office Box 6263, Savannah, Georgia, and identified the [redacted] as [redacted]

The editorial on this page which is by-lined [redacted] pertains to a charge that Israel has declined to pay for the destruction of the USS Liberty. It exhorts the readers not to forget the 34 men killed on the Liberty which it says were murdered on the Jewish altar of war.

The letters to the editor which commenced on page six contain a letter from [redacted] whom it identified as [redacted] who asks that white men stand and fight. The letter charges that the convicted men were placed before a court of blind justice, harassed by the FBI, threatened with phone calls and letters and thrown in jail from a scheme well planned for being white Christians.

Another letter to the column is identified as being from a [redacted] New York" which relates in a column and a half various information about Stalin which he says clears the Jewish smoke screen from the matter. Another letter is identified as being from [redacted] of Sevierville, Tennessee, which charges that the politicians of Knoxville have made a league with the Jews of Knoxville to keep the Negroes cool this summer. This letter states that the writer has read the book "The Negro a Beast" and highly recommends it, stating also that the reader has purchased 35 copies of the March edition of "The Thunderbolt" which he would distribute.

Other letters in this column are also identified only by initials.

An article on page eight comments that the present edition of "The Thunderbolt" is the 100th edition, noting that the first edition was published 10 years ago in Louisville, Kentucky and was produced [redacted]

The article notes that the five patriotic friends in Louisville financed the initial monthly deficits of the publication since every edition lost money the first year.

This same article also notes that other publications have merged with "The Thunderbolt", identifying them as "The Georgia Tribune", "The Rebel", "The Virginian", "The American Digest" and "The X-Ray".

Page eight also notes that meetings are to be held on April 3 and April 4, 1968, at Hattisburg, Mississippi, and Jackson, Mississippi, respectively at which J. B. Stoner of Savannah, Georgia, and local speakers would speak.

Page nine is mostly devoted to an article attacking [redacted] and commenting on his conviction. This same page also reproduces a letter from the "Friends of [redacted] Committee, Jacksonville, Florida", under a headline which charges that Jacksonville Jews rally behind a convicted criminal.

Page ten relates the story about a reported incident which occurred in the filming of a Plymouth Motor Corporation sponsored television special on April 2, 1968. The article states that a white female singer placed her hand "tenderly" on Harry Belafonte's arm and that a Chrysler-Plymouth advertising manager protested. The article states that this protest resulted in the firing of the individual and reminds readers to remember the event the next time they purchase a car. b6 b7C

Page eleven reproduces an application for membership in the National States Rights Party with the accompanying pledge that the signer is against Jewish communism monopoly, race mixing and internationalism. The pledge also contains other promises.

Page twelve is mostly devoted to a list of books and literature available from "The Thunderbolt" and it also contains an article urging readers to purchase additional copies of "The Thunderbolt" to distribute.

This same page contains an announcement that ☐ would speak at San Diego, California, on April 18, 1968, and at Los Angeles, California, on April 19-21, 1968. It states Oregon and Washington meeting notices would be later mailed to supporters.

This edition of the "The Thunderbolt" also contained an accompanying single sheet of paper which requests support of a National States Rights Party headquarters building fund. This leaflet states that the National States Rights Party needs a permanent home for its headquarters and it would be a tremendous boost to the work the National States Rights Party is performing. The bottom portion of the request for assistance contains a form which readers can mail with their contribution to National States Rights Party headquarters.

J. B. STONER SPEAKING—

## More Violence Predicted In Wake Of King's Death

The vice chairman of the "white racist" National States Rights Party predicted here last night that Martin Luther King's death will bring more Negro demonstrations and violence than anything since the Civil War, but added that his group welcomed the violence.

"King's death, I predict, will trigger off more nigger violence than we have had in the last year or in the last 100 years," J. B. Stoner said. "The black power niggers will now say that non-violence has failed and that violence is the only answer."

Stoner, who was in Meridian for an organizational meeting of the NSRP, told a small group that his party is a "white racist, anti-Jew" organization.

"We are white racists and we are proud to be white racists," he said. "The black supremacists are proud to be black supremacists."

"The National States Rights Party advocates an end to all friendship between the black and white races. . . an end to all

### Rallies, Marches Planned

"We believe in carrying it on in the streets and everywhere else," he said. "We are going to hold rallies and marches and everything else we can do to counteract this nigger violence. We will hold our banner high where the people in the north, south, east and west can rally around it. . . so we can have rule by the majority rather than rule by the nigger and Jew

minority," he said.

Stoner told the group that "two-thirds of the white people in this nation are against race mixing" and pointed to open-housing votes in California to back up his claim. He lashed out at the John Birch Society and "other so-called conservative organizations."

"If we run from a pack of dogs they will chase us," he said. "We need to start chasing them and they will run from us like a pack of dogs. It's better to be the chaser than the one chased — it's better to be the hunter than the hunted."

"Let's chase them and put them on the run," he added. "We must know who our enemies are, we must tell people who our enemies are."

He said the Negroes are not people but "animals — wild beasts" and that they have "never actually been peaceful."

### 'Afraid Of Death'

"If all the Jew politicians, police and FBI agents would take a trip around the world, by the time they got back there wouldn't be any more race problem, the white people would have already taken care of it all," he said.

relationship between the races," he said.

Stoner charged that King was not non-violent, but that King, "like all niggers," hated the white people.

"King was not non-violent," he said. "All the time he was saying non-violence he was planning a communist revolution. King's war was bloody and violent. . . he wanted a bloody revolution."

"In this hatred for us they have brought about the second Civil War, and that's what we are now in," Stoner said.

"He has been a good nigger now since 6 or 7 o'clock tonight," Stoner said of King's death.

He said the NSRP welcomed the riots which are expected to follow and that they were glad to see others encouraging the Negroes to protest.

"We want all the niggers to be bad niggers — mean niggers — because even a nigger-lovin' white person can't race-mix with a mean nigger," Stoner told the group. "If they could get the niggers stirred up enough, quick enough, then we could go ahead and wipe them out."

Stoner said that his group is planning marches and rallies of its own — beginning in May — in support of their "political" aims.

He said that "too many white people are afraid of death" and that it was something that was "coming, no matter what happens."

"For many years the FBI has guarded King's house and guarded him everywhere he went, and yet he is dead," Stoner said. "I'd rather die in combat than laying in a concentration camp."

He said the NSRP rallies and marches will start in Mississippi in May and "before the summer is over I think we can arouse the majority of the white people in Mississippi."

Asked about reports that King's death might increase Sen. Robert Kennedy's chances of becoming the next president, Stoner replied:

"I wouldn't think so at all. I think the niggers were going to lay low all summer to help Bobby Kennedy, but now they won't be able to control them. They won't be able to control the nigger lawlessness."

LIKES KING BETTER — J. B. Stoner, vice-chairman of the National States Rights Party, said here last night of the death of Martin Luther King that "he's been a good nigger now since six or seven o'clock tonight."

NATIONAL STATES RIGHTS PARTY (NSRP)

The May, 1968, edition #101 of "The Thunderbolt", the official publication of the National States Rights Party, a characterization of which appears in the attached appendix, has a front-page photograph of Rev. Martin Luther King, Jr., who was identified as "Martin Lucifer King."

The front-page article accompanying this photograph is headlined "King Victim of Own Terrorism...Politicians Protect Black Revolution." This article which accompanies a major portion of the front page notes that the death of King in Memphis, Tennessee, was the natural result of a lawless career. The article relates that the man who shot King was actually upholding the law of the land and enforcing the injunction of the United States District Court in Memphis which had forbidden King's marches. The article comments that this man should be given the Congressional Medal of Honor, a large pension for life, plus a Presidential pardon.

The article relates that a majority of Congressional members are degenerate black-hearted scum who were happy to use King's death for passing another civil rights law against the white people of America. It says King's death is being used by the Jew money power and Jew financed blacks as an excuse for general lawlessness and an acceleration of the revolution against the whites.

The article concludes that "The Thunderbolt" believes in law and order and demands that the Black Revolution be crushed as provided by law. Otherwise, it states, the white people will protect themselves as they have a right to do.

NATIONAL STATES RIGHTS PARTY (NSRP)

The other front-page article relates a demand to investigate why President Lyndon Johnson used troops to protect rioters in Washington, D. C., instead of using them to end the rioting. Much of this article consists of reported quotes of comments on this issue by Congressman John R. Rarick of Louisiana and a reproduction of a House of Representatives resolution submitted.

Pages 2 and 3 consist of various articles on Negroes and Jews. One article which notes that the Negroes are mostly indolent relates that many Negro Postal employees "goof off" on the job and cannot be fired because the National Association for the Advancement of Colored People would file a protest for them. This article promises that one of the first moves of the National States Rights Party upon assumption of power will be to "clean out" the United States Post Office from top to bottom, firing all Negroes and white integrationists.

The article on page 5 relates "scientific evidence" that the Negro is related to the apes and not white people. One of the reproduced illustrations pictures a female which alleges is the result of mating an ape with a Negro woman.

An article on page 6 is captioned, "White Girl Mating With Gorilla in 1968...Scientists Await the Moment When Lovely Conchita Mendez Will Produce Her Half-Ape, Half-Human Offspring". The article consists mostly of a picture of Conchita Mendez and another picture of a giant gorilla, but relates no details of the headlined story except that Mendez is identified as "the first woman in the annals of mankind to forsake civilization for the primitive existence of a gorilla girl, reigning over a kingdom of hairy apes deep in the impenetrable bamboo forest of Uganda".

The masthead on page 7 identifies "The Thunderbolt" as a non-profit corporation published monthly, giving its current address as Post Office Box 6263, Savannah, Georgia, telephone 355-4271. The [redacted] [redacted]

A guest editorial on this page contains a protest of the lowering of the American flag subsequent to the death of Martin Luther King. The cartoon on this same page illustrates

NATIONAL STATES RIGHTS PARTY (NSRP)

"the Jew stacked court" and pictures an individual with the appearance of Satan sitting with eight other robed individuals. The caption beneath this cartoon is "Nine Men Against America."

This issue of "The Thunderbolt" contains only two full pages of letters to the editor, most of which pertain to attacks on Jews and Negroes.

An article on page 9 contains a forecast of J. B. Stoner, Vice Chairman of the National States Rights Party, that Martin Luther King's death will bring more Negro demonstrations and violence than anything since the Civil War.

The article which is an apparent reproduction of a local newspaper article identified Stoner as being in Mississippi for an organizational meeting of the National States Rights Party. He is quoted as saying, "We are white racists and we are proud to be white racists. The black supremists are proud to be black supremists."

He is also quoted as stating that the National States Rights Party advocates an end to all friendship and relationship between the races. He is quoted as stating that the National States Rights Party welcomed the riots which are expected to follow. He said that the group is planning marches and rallies of its own in support of "their political aims". The article quotes Stoner as relating the NSRP rallies and marches will start in Mississippi in May.

Page 10 reproduces articles allegedly proving that Negroes have diseased blood, that they are a backward race, and not equal to whites.

Page 12 reproduces a similar back page as in previous issues offering various books and literature, as well as an NSRP membership application form and advertisements urging that "The Thunderbolt" be purchased and distributed.

## Meridian Officials Cool To States' Rights Plan

MERIDIAN, Miss., May 30. — (UPI) — Local officials expressed concern Thursday over the National States' Rights Party's plans to locate its state headquarters here and said the group would not be welcome in the city where a synagogue was bombed earlier in the week.

J. B. Stoner of Savannah, Ga., vice chairman of the NSRP, confirmed reports that Meridian had been chosen as the site for the party's Mississippi base and drew sharp criticism from Police Chief Roy Gunn and Mayor Al Key.

"We do not welcome individuals or organizations who divide and stir up trouble between the races," Gunn said.

The police chief said about two weeks ago that he had heard "hate-type groups" planned to move into the Lauderdale County area. "I pray God that He will grant me the strength and wisdom and un-

derstanding that I can be a pallbearer at some of these people's funerals and send them to hell where they are headed," he said.

At the time, Gunn did not divulge the source of his information or identify the group he referred to but apparently had the NSRP and possibly others in mind.

The mayor echoed Gunn's concern over the NSRP plans and said, "We do not want any of this foolishness here."

Stone said in a telephone conversation from his Savannah office he planned to arrive here in a few days to step up plans for the party's activities.

The controversial attorney said Raymond Roberts, a former Meridian clothing store manager, would serve as "full-time organizer" for the party and Roberts' sister-in-law, Mrs. Alton Wayne Roberts, wife of one of seven alleged Ku Klux Klansmen convicted of conspiracy in the 1964 slaying of three civil rights workers in nearby Neshoba County, would be secretary.

The police chief said recently in his attack on "hate-type" groups reportedly thinking about locating here that they were "not wanted and needed in our society and should be brought to the attention of the people lest they fall victim to a conspiracy of this type."

He warned the organizations would "attempt to gain support through the vehicle of character assassination of public officials that have the guts to stand up for law and order."

Stoner said his group liked Meridian but charged the city was run "by the Jew-dominated chamber of commerce which runs the city and police department." He also accused the police department of harassing whites and protecting Negroes.

Stoner frequently addressed KKK rallies in Jacksonville and St. Augustine, Fla., in 1964, when he ran as the NSRP's vice presidential candidate with John Kasper as the presidential choice. He often represented alleged klansmen and was the attorney for five klansmen in Jacksonville who were acquitted of bombing a Negro's home in 1964.
